

# Extramural Research Grant Applications

## Navigating the Landscape at LAU

---

Ralph J. Abi-Habib, Ph.D.

Associate Professor of Biochemistry & Molecular Biology

Department of Biological Sciences

Director of Sponsored Programs

Office of Graduate Studies and Research

Lebanese American University

- How to find grant opportunities?
- At LAU, our main resource is Research Professional <https://www.researchprofessional.com/sso/login?service=https://www.researchprofessional.com/0/>
- As a first stage, we created Research Professional accounts for PIRF grantees only. Now we are expanding to all full-time faculty and physicians.
- We have so far created accounts for approximately 130 faculty and physicians.

## Our Institution - Lebanese American University

Welcome to the Lebanese American University start page on Research Professional. Key advantages of the site include:

- An intuitive interface to make browsing for funding as simple as checking your email.
- Shared resources, allowing you to benefit from saved searches and folders of bookmarked items created for you by your administrators.
- Powerful search tools to help you find exactly the funding opportunities and news articles that interest you.

To help you get started on the site, you might want to take a look at the available help resources. These include: Video introductions, a collection of short (1-2 minute) videos that will introduce you to the basic functions of the site. Quick start guide, a downloadable PDF guide

- Once the proposal is finalized, and prior to submission, you have to go through LAU's internal clearance system:
  - Fill proposal submission form on EDMS
  - Attach the proposal, budget, etc.
  - Once submitted, we might contact you for additional information such as; link to grant call, information on Co-PIs in other institutions, etc.
  - The clearance process involves GSR, OGC, budget office, and legal.
  - The form has to be submitted at least a week prior to the deadline to allow for this process to take place.

### III-Funding (LAU or LAUMCRH share)

Type of Funding\*

LAU Commitment\*

- 
- Funding Requested
- Funding Available
- No Funding

(such as course release, use of laboratories, purchase of reagents, in kind contribution, etc.)

\* Where applicable, budget approval should be secured prior to proposal submission; should allow for at least 5 working days for review. For research where IRB is required, budget will not be disbursed until IRB approval is secured.

### IV-Compliance

Human Subjects Involved  
(Check Yes if you are applying to the IRB)\*

- Once the form is submitted, the budget, proposal and granting agency info are sent to OGC and budget office for clearance.
- The proposal is vetted for, among others:
  - The granting agency
  - Matching the call for proposals
  - The budget to ensure it matches granting agency and LAU policies
  - Potential extramural Co-PIs
- Once vetted, we approve the edms research proposal form and the submission can go ahead.
- We are currently in the process of developing a separate form for grant submissions.

**Thank You**
